

X-POINT 650w

CP-PS-1001

Silent cooling for minimal acoustic footprint

Feature

- Wattage**
- Efficiency**
- Typical Efficiency**
- Form Factor**
- Input Voltage**
- Input Current**
- Frequency Range**
- Cooling**
- Protection**
- Power Good Signal**
- Hold-up Time**
- MTBF**

Connectors:

- 1 x 24-Pin ATX
- 2 x 8-Pin//8-Pin EPS (4+4)
- 2 x PCIe (6+2)+2*PCIe (6+2)
- 6 x SATA
- 3 x Molex (Peripheral)

Details

- 650W Continuous Output
- Designed to meet 80 PLUS Bronze level efficiency
- Up to 85% efficiency at 50% load
- ATX 12V v2.4
- 100V – 240V (Active PFC)
- 10A Max
- 50Hz – 60Hz
- 120mm Silent Hydraulic Bearing Fan
- OVP / UVP / OPP / SCP / OTP
- 100 – 500ms
- >16ms @ Full load
- >100,000 hours

Certifications & Compliance:

- RoHS Compliant
- CE / FCC
- Engineered to meet 80 PLUS Bronze efficiency levels based on internal testing

Designed For:

- Mid-to-high performance gaming rigs
- GPU setups up to RTX 3060 Ti / RX 6700 XT class and below
- Silent cooling for minimal acoustic footprint

Included in the Box:

- X-POINT 650W PSU
- Power Cable
- Mounting Screws

Mid-to-high performance gaming rigs

X-POINT 850w

CP-PS-1002

Silent cooling for minimal acoustic footprint

Feature

- Wattage**
- Efficiency**
- Typical Efficiency**
- Form Factor**
- Input Voltage**
- Input Current**
- Frequency Range**
- Cooling**
- Protection**
- Power Good Signal**
- Hold-up Time**
- MTBF**

Connectors:

- 1 x 24-Pin ATX
- 2 x 8-Pin(4+4)
- 2 x PCIe (6+2)+1*PCIe (6+2)
- 6 x SATA
- 2 x Molex (Peripheral)

Details

- 850W Continuous Output
- Designed to meet 80 PLUS Gold level efficiency
- Up to 90% efficiency at 50% load
- ATX 12V v2.4 / EPS 2.92
- 100V – 240V (Active PFC)
- 12A Max
- 50Hz – 60Hz
- 135mm Silent FDB (Fluid Dynamic Bearing) Fan
- OVP / UVP / OPP / SCP / OTP / OCP
- 100 – 500ms
- >17ms @ Full load
- >100,000 hours

Certifications & Compliance:

- RoHS Compliant
- CE / FCC
- Engineered to meet 80 PLUS Gold efficiency levels based on internal testing

Designed For:

- High-performance gaming builds
- Overclocked CPUs and multi-GPU setups
- GPU class: RTX 4070 Ti / RX 7900 XT and below
- Quiet, thermally efficient rigs with demanding power draw

Included in the Box:

- X-POINT 850W PSU
- Heavy-duty Power Cable
- Black Mounting Screws
